

# *Spiriterra Vineyards*

Napa Valley Family Estate

## *2014 Cabernet Sauvignon*

### THE VINEYARD

Spiriterra Vineyards is a small, family-owned vineyard located near Howell Mountain in the hills east of St. Helena -- a premium winegrowing region. 100% of our grapes are hand harvested from our estate ensuring only the highest quality grapes go into our wine. Spiriterra is geographically blessed with incredible soils, good mountainside drainage, excellent sun exposure, and extraordinary growing conditions. Long, warm days and cool nights, that allow for a slow accumulation of sugar, provide ideal conditions for properly ripening our grapes. Our two-acre Cabernet Sauvignon vineyard was replanted in 2003 and shares the distinctive honor with its Greenfield Road neighbors for the growing of premium Cabernet grapes. For a third year in a row, the Napa Valley enjoyed another incredible harvest. 2014 proves to be another exceptional vintage.

### WINEMAKER TASTING NOTES

Aromas of ripe cherry, cassis and anise well-integrated with french oak and spice waft from the glass. The fruit follows nicely in the mouth with added flavors of spice and dark chocolate to add complexity to this medium-bodied wine. Firm tannin and good acid support a lingering, dark fruit finish. Enjoy now with a nice steak or age for more complex subtlety in the future.

### TECHNICAL INFORMATION

Appellation: Napa Valley  
Vineyard designation: 100% Spiriterra estate  
Cabernet Sauvignon  
Alcohol: 14.4%  
Production: 244 cases (750ml)
